HEALTH

- ☐ Drink more water than soda
- ☐ Walk at least 15 minutes daily
- ☐ Get annual physical and bloodwork
- ☐ Prioritize sleep before productivity
- ☐ Have a basic supplement plan
- ☐ Know your current weight
- ☐ Track energy levels weekly
- ☐ Reduce one unhealthy habit this month

MONEY

- ☐ Know exactly how much you spend each month
- ☐ Create a simple written budget
- ☐ Review subscriptions and recurring charges
- ☐ Save a portion of every paycheck
- ☐ Avoid impulse purchases
- ☐ Track progress monthly
- ☐ Set a yearly financial goal

EMERGENCY FUND

=====

- ☐ Calculate 1 month of living expenses
- ☐ Build a \$500 starter emergency fund
- ☐ Build a \$1,000 emergency fund
- ☐ Save one month of expenses
- ☐ Work toward three months of expenses
- ☐ Keep emergency savings separate from spending money
- ☐ Review emergency fund progress quarterly

INCOME

=====

- ☐ Have one skill that earns income
- ☐ Learn one new income-producing skill
- ☐ Create at least one additional income stream
- ☐ Spend time weekly learning about business
- ☐ Track income from all sources
- ☐ Look for ways to increase value, not just hours worked
- ☐ Create a plan to reduce dependence on a single paycheck

NEXT 90 DAYS

=====

- ☐ Choose one health goal
- ☐ Choose one financial goal
- ☐ Choose one income goal
- ☐ Review this checklist monthly
- ☐ Celebrate progress, not perfection
- ☐ Keep moving forward consistently

□ Remember why you started

=====

Building stability isn't about getting rich overnight.

It's about improving your health, strengthening your finances, and creating more options one step at a time.
